The Regional P.F. Commissioner-Incharge of Regions
All Regional Offices

Sub: New/Revised Region Codes for use in official record/computer programmes - Reg.

Sir,

As you may be aware, until recently, each political state of the union (excluding NER) constituted a region in our Organization and the state and regions codes used in official record and computer programmes were the same. However, with the creation of new regions administratively within the organization, some of the political states have more than one EPFO Administrative Region. As a result, the states having one Region will continue to use the same State Region Code and where the Political states have more than one Region only one of them can continue to use the old Region Code and the other Region requires to be given a new code.

Accordingly, the new/revised Region Codes in sync with the new application software of the 'Modernization Project' has been prepared and is annexed herewith. The states & Region codes may be used for official records & computer programme with immediate effect. The use of the new/revised Region & State codes has the approval of the Central Provident Fund Commissioner.

Encl: As above

Yours faithfully

(C. Chakraborty)
Regional P.F. Commissioner (Project)
