NOTICE INVITING TENDER ESTIMATION OF ELECTRICAL CABLING

The Office of Regional P.F. Commissioner, Bhopal is located at the address Mentioned above in a rented building. The office is accommodated in Ground, 2nd & 3rd floor of the building. The office has identified almost 70 workstations in the said building for implementation of computerization project.

It is proposed to carryout the Electrical cabling and Modular Switches, Sockets along with, MCBs, DBs, and Earthing etc.

The requirement of electrical work is briefly as below:-

1. Each workstation should have two normal electrical power points (5/6 Amp) for 700 VA UPS and printer.
For each section i.e. Accounts Group, Compliance/Enforcement, Pension etc. there should be provision for one 15-amp Power point. All the materials should be of high quality/reputed brands.
2. Each workstation will have one I/O box.
3. Electrical and Data Cabling should have recommended separation of 18 inches (minimum 12 inches) and ideally should not cross each other in the cabling plans. If crossing over becomes inevitable, it should happen at 90 degree (Right angle).
4. Power points (15 amps) to be provided near each network rack. The network rack location will be near the vertical shaft.
5. Provision of Earthing for electrical connections. One for Server Room and another for rest of the building.

The layout plans of seating/workstations are available in this office. Interested agencies may visit the office premises and assess the work involved and submit the detailed estimate along with brand name of material to be used for the above work in the sealed envelopes duly super scribing "Quotation for Electrical Cabling for Computerisation Project" by name to Shri Dheeraj Gupta, Regional P.F. Commissioner-II, EPFO, Sub-Regional Office, 132 Zone II, M.P. Nagar Bhopal 23.07.2010 at 11:00 AM and the bids shall be opened on the same day at 3:00 PM. The work may be carried out as per the CPWD procedure.
